Meanwhile...

Let's see... just get close to him and...

Sis?

Kya!

What were you reading?

N-nothing.

How to kiss...?

W-well... It's just um...

Okay, this is embarrassing...

It's okay, sis.

Things sure changed a lot...

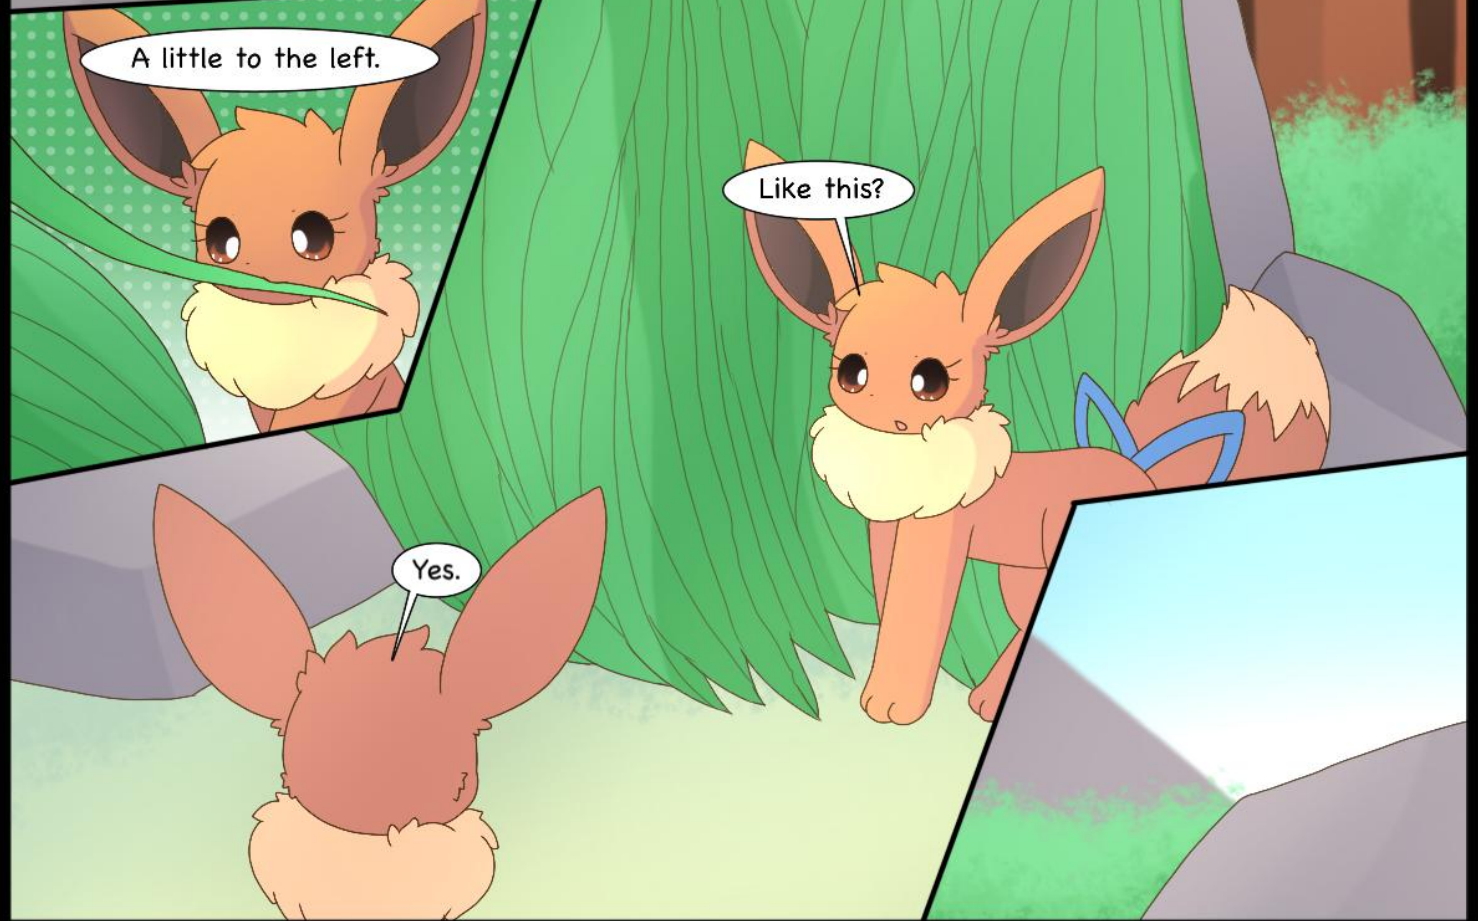

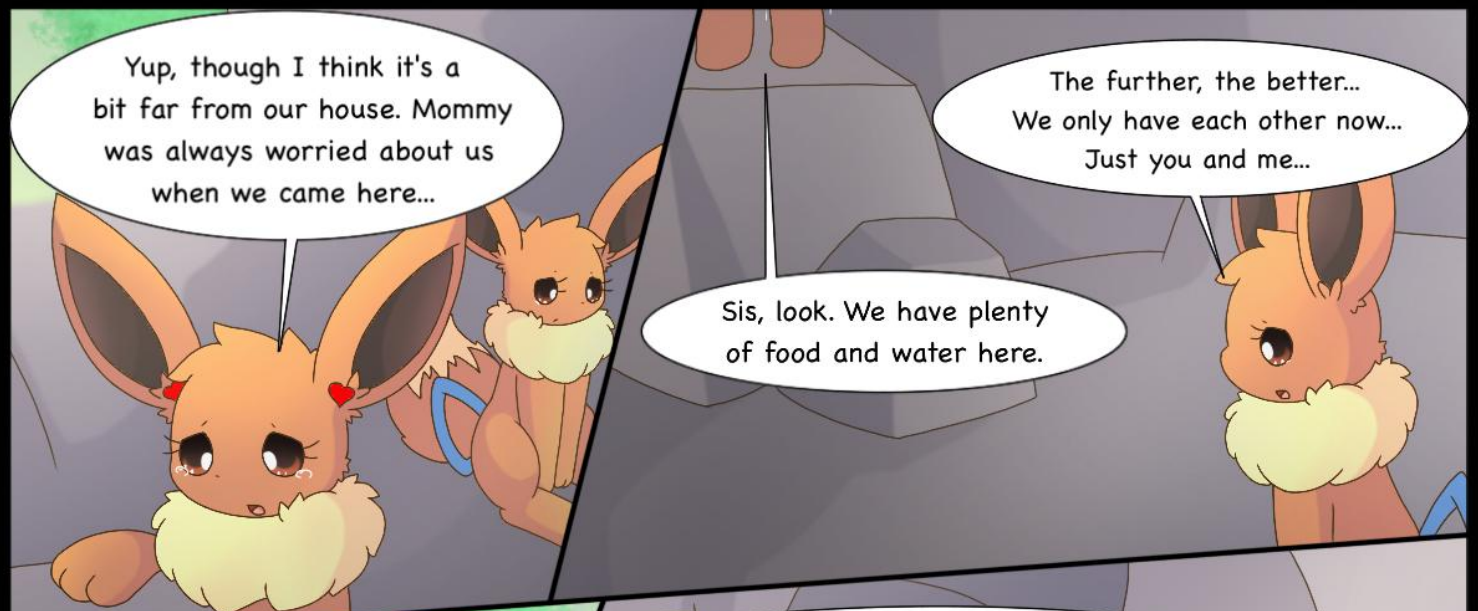

10 years earlier...

6 years later...

yawn

?

Morning, sis.

Morning... What's for breakfast?

We have a few apples.
I think we need to plant
more apple trees.

Sounds good. What
about the berries?

I still haven't picked
them up yet.

I'll pick them up. It's a
good thing that there are a
couple of berry bushes and
apple trees near this cave.

I'll go with you, but first,
let's have breakfast.

Okay.

Later...

That night...

Sorry, sis, but I want to see what it's like there.

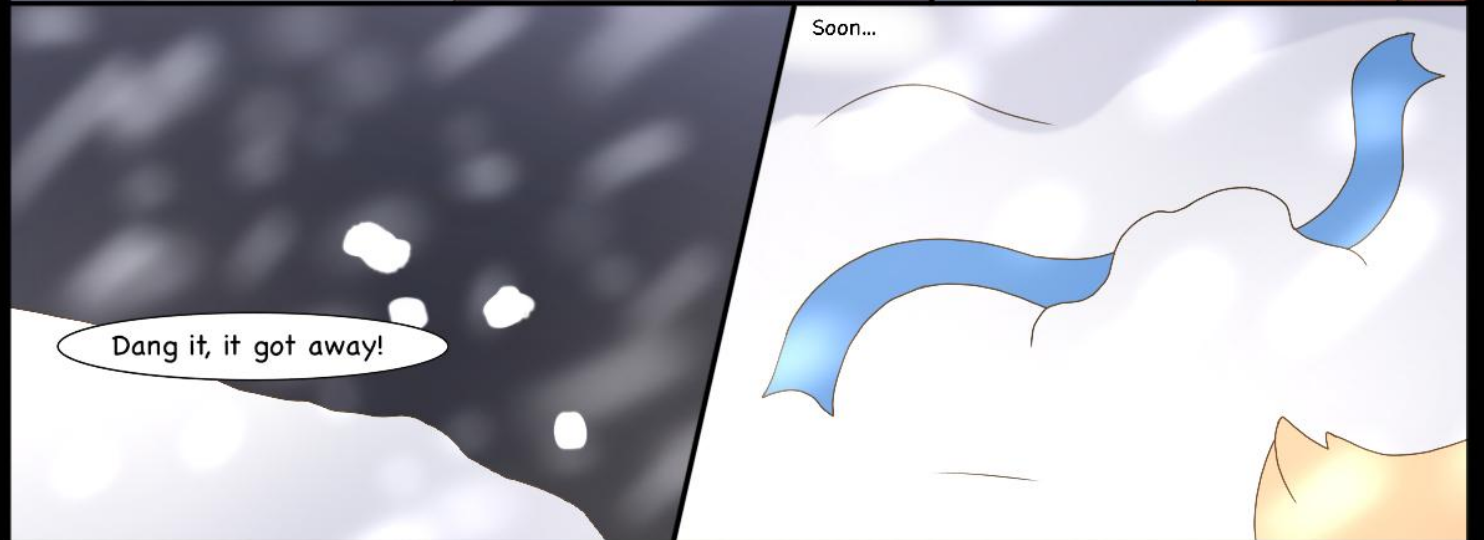

Hmm...

This is weird...

So cold... Maybe I should go back...

No, I've come too far to give up...

Mommy... It's so cold...

Sis...

Leafy...!

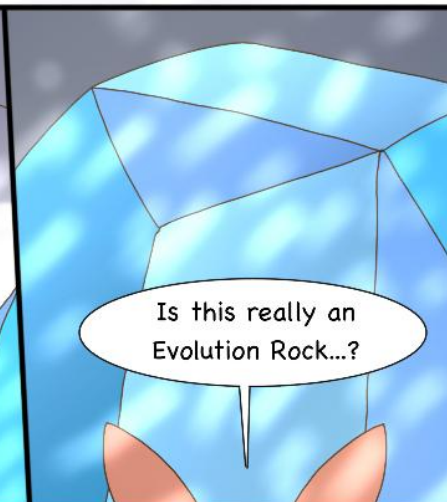

I gotta go
back home...

What... is
that rock...?

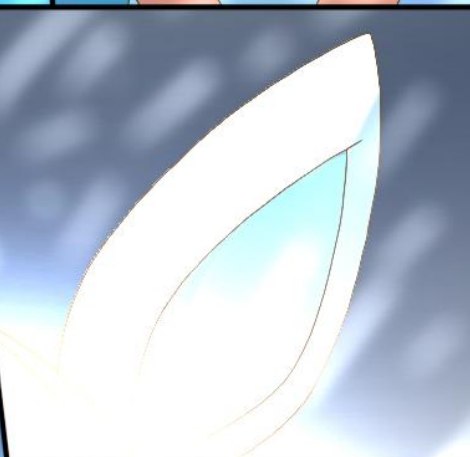

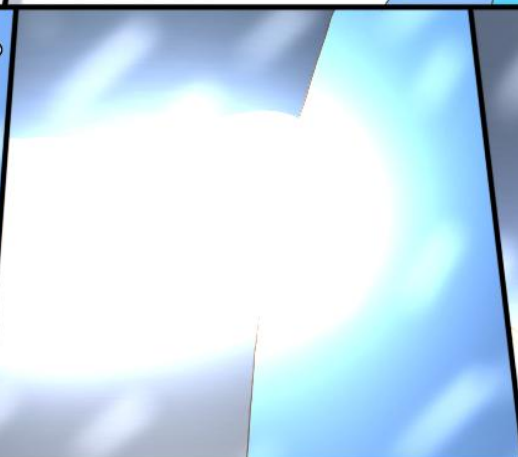

Made it...

Is this really an
Evolution Rock...?

Please lend me your power...

This feels weird... I'm actually
feeling a bit better now...

Is this what they
call evolution...?

I gotta go back.

Later...

Almost there--

pant

pant

Sis!

?

Sis, where are you?
D-don't leave me too!

sob

Ah!

Wait!

Leafy, it's me.
I-I'm right here.

Sis...? I-is it
really you?

Yes, it's really
me, sis.

Sis, I'm scared...

It's okay to be scared.
I'm scared too.

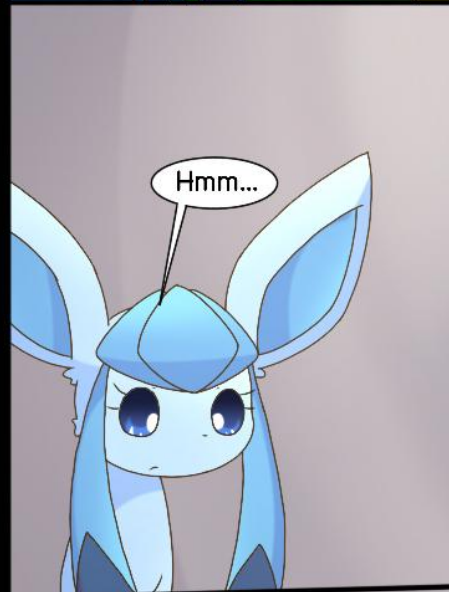

Alright, come on.
Let's go.

Okay...

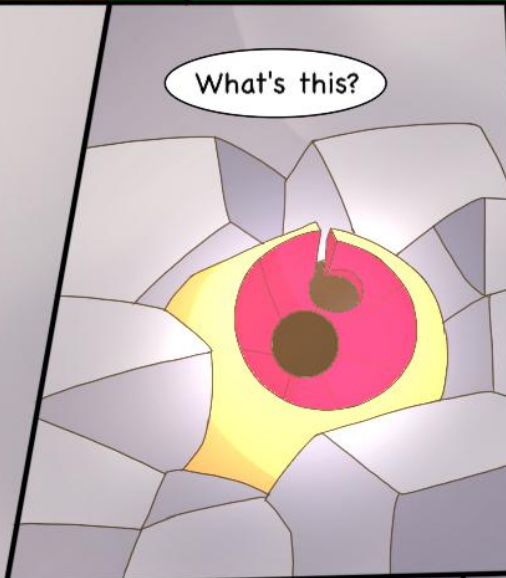

Later...

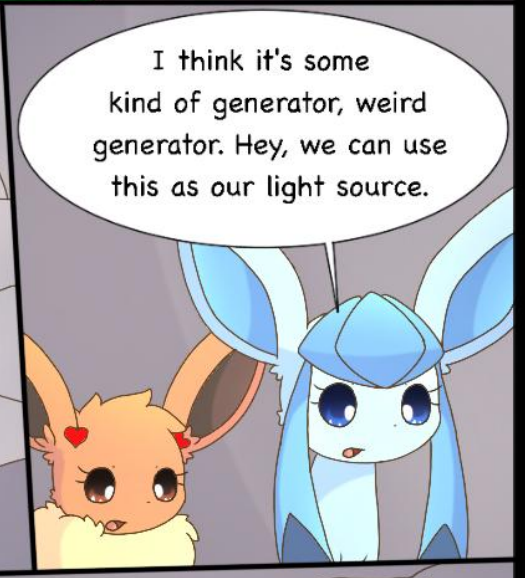

Let's lay it here.

Hmm...

What's this?

I think it's some
kind of generator, weird
generator. Hey, we can use
this as our light source.

Is it dangerous?

I suppose, but
I'm sure it's fine.

What should we
do with the rest?

I don't know. Use them
as plates or something?

It doesn't sound bad.

Jeez, I barely touched it.
It broke apart already?

How about this part?

That night...

It's brighter than usual thanks to that thing. See, no one came here to look for it.

Maybe you're right. Does it mean it's ours now?

Yup.

I still think taking it here isn't right. It's like we stole it.

It's too broken. I'm sure they don't need it.

Let's sleep. We have things to do tomorrow.

Okay, good night.

You too.

I know...

I miss mommy...

I miss mommy too...

Next day...

yawn

Morning, sis.

Morning...

So what are we going to do today?

I was thinking of finding more berries to plant.

Sounds good. It's about time we have other kinds of berries for food.

Let's go after breakfast.

Right.

Later...

Hey, there's a lot of berries here. Let's pick as many berries as we can.
